

**University Center** building, 975 Normal Avenue, is located at the corner of Normal Avenue and North Henderson Avenue on the campus of Southeast Missouri State University.

**Entrance Door** is location on Normal Avenue, near the patio on the 3<sup>rd</sup> floor just outside the Starbucks entrance to the UC and just down from the ADA accessible 3<sup>rd</sup> floor entrance into the UC Lobby. People can park and unload (do not leave vehicles unattended) along Normal Avenue and even pulling onto the patio a bit.

They can also pull up at the curb on Henderson Avenue outside the 1<sup>st</sup> floor entrance and use the elevator to load up and into the 3<sup>rd</sup> floor. SEMO will have 2-3 carts that individuals can borrow to load in with. Carts located at the built in desk on the 3<sup>rd</sup> floor and people can use them from there.

Attached is the parking pass to cover all conference dates, including set-up on Thursday the 14<sup>th</sup>. DPS said they were not ticketing during this time period due to it being Spring Break, so it is not essential that everyone has a pass displayed, but I know there are some people that a pass makes them feel better.

The pass covers the following lots (reference the link to the campus website parking map):

1-22 Lot: located off of North Henderson Avenue and the intersection with Normal Avenue, directly across from the University Center 1<sup>st</sup> Floor entrance

1-21 Lot: located off Henderson Avenue, across from Vandiver Hall

2-13 Lot: located on the left just past a small house at the intersection of North Henderson Avenue and Normal Avenue (across the wide 4-way intersection)

1-9 Lot: located at the intersection of Broadway Street and North Henderson Avenue in front of Merick Hall and Houck Fieldhouse (about 2 blocks from the UC)

Any lot is okay during campus spring break, but the ones listed above are the closest to the University Center from top of list and getting further away. Street parking available too as signed.

Parking Pass on Next Page.
