### NEW MSBA WEB SITE

### MSBA MISSION

- To educate and inform the general public and the beekeeper.
- To promote beekeeping, advise and support all beekeepers, from the backyard hobbyist to the commercial pollinator.
- Provide a forum for the exchange of ideas and mutual support in the keeping of honey bees and the marketing of honey.
- Share our insights and passion for beekeeping to help others grow in their appreciation and enjoyment of keeping bees.
- Encourage the beginner beekeeper and help to establish first-time beekeepers in the success of their efforts.
- Become a

**We are busy as bees working to complete a new web site that will provide more value to our members!**

One of the goals for 2017 is nearly-complete! To better serve our members, MSBA is creating a more robust, dynamic web site with much more content including legislative news, educational resources for new and seasoned beekeepers along with a more simplified way to register for events and review your membership information!

Today you will receive a notification from Member Planet asking you to update your membership profile. It will only take a couple of minutes to do so and once done will allow you to much more easily manage your membership.

The web site will not be fully-functioning for a few more weeks but feel free to take a look around!
